Part Of \$20,000 Grant To Be Spent On District Roads

The Council of the Municipal District of Mountain View met with District Road Engineer Fred J. Graham in the municipal office, Didsbury, on May 21st, to discuss the disposition of the capital road grant of \$20,000 made by the Department of Public Works, and to which the municipality will put up an additional \$20,000 this year.

It was decided to rebuild part of the Cremona road; place gravel on the Beiseker-Crossfield road; gravel the Crossfield-Cochrane road; put in a road in Twp. 29, Rge. 28 W4th; resurface Didsbury West and Didsbury East roads; gravel road in Twp. 32, Rge. 2, W5th, and Olds East.

In view of the government not taking over the Cremona road as a secondary highway a resolution was passed asking the Department for an additional \$5,000 grant to be used on the Cremona road.

RANGERS DONATE \$75 TO COMMUNITY CENTRE

In last week's issue it was stated that a \$75 donation had been made to the Community Centre fund by the Girl Guides and Brownies. This was an error, the \$75 was donated by the Rangers, a group of nine local girls led by Mrs. R. Ady and Miss Weiss.

SEEKS WHEREABOUTS OF MISS AUGUSTE WALTER

Mrs. Sam Klein of Viking, Alberta is seeking the whereabouts of Miss Auguste Walter, who was last heard of while working on a farm near Didsbury in 1931.

The information is sought on behalf of a sister, Katherine, at present residing in Germany. If anyone in this district knows where Miss Walter is now residing, or can furnish information which may assist in locating her, they are asked to communicate immediately with Mrs. Klein at Viking.

FORTY YEARS AGO

June 6, 1907

H. Metcalf is to carry the mail between Didsbury and Carbon and will operate a Canada Carriage Democrat as a stage.

The fishing party comprising A. Stuer, E. Renou, P. Ruth and H. E. Ommond, had a very successful outing at the Fallen Timber last week.

C.P.R. officials and nine Mounted Policemen battled with belligerent Olds citizens last Monday when an attempt was made to close the second street crossing. The C.P.R. and police won out after a three-hour battle.

Part of the fine herd of Buffalo which the Canadian government bought from Michell Pablo of Montana, passed through Didsbury Friday on their way to the 10,000 acre park provided for them at Lamont.

Didsbury Town Council is planning the erection of a town hall. Figures obtained from Stettler show that the hall there cost \$2,400 to build and included a council chamber, fire hall, basement and well.

The first farmers telephone line to be erected in Alberta will be the Didsbury-Kansas line, running west of town. The government is supplying two car loads of poles at \$1.75 per pole, and are sending an experienced lineman to supervise the job.

JACK GINTHER NEW AGENT AT PIONEER ELEVATOR

Jack Ginther is the new agent at the Pioneer elevator in Didsbury and officially took over on May 30th from Ben Brower, the former agent.

Mr. Ginther was a grain buyer in Saskatchewan before going to Vulcan two years ago. He is a married man with four children, and as soon as a suitable house can be procured he will move his family from Vulcan to Didsbury.

KEN HOLMQUIST HAS SLIGHT LEAD IN CROW AND MAGPIE CONTEST

Mr. E. Grange, chairman of the Predator Control Committee of the Didsbury Fish and Game Association, reports that the boys and girls are now bringing in their crow and magpie feet, and this past week in particular the "take" has been exceptionally good.

The three boys who hold top honors so far in the campaign are Ken Holmquist with 282 pairs of feet, Roy Smallwood with 232 pairs, and Ken Hunsperger with 109 pairs.

Boys and girls are urged to get out after these predatory birds now and to cash in their feet regularly. The local Fish and Game Association is paying 7c per pair for all crow and magpie feet, and in addition three valuable prizes will be given to the three boys or girls who top the list when the campaign closes this fall.

DIDSBURY LADIES WIN ONE, LOSE ONE, IN SOFTBALL

Didsbury ladies' softball team treated the fans to two interesting Rosebud League fixtures last week when they lost a close but exciting game to Innisfail 20-19, but showed plenty of superiority over Crossfield to win 24-7.

In the Innisfail-Didsbury fixture the game was a see-saw affair with the lead changing hands many times. Errors were numerous and plays spectacular, and opportune base running proved the deciding factor which gave Innisfail the victory. The locals seemed a bit jittery before the large crowd of home fans and committed several costly errors. Agnes Reimer, Gladys Luft and Mona Rous were the heavy hitters for the home team.

The Crossfield nine were the visitors Thursday evening but were weak opponents for the locals, who played one of their better games. Good support was given to the Didsbury battery of Gwen Morgan and Jean Wilson, and the girls were hitting freely and hard. The large crowd of enthusiastic fans saw home runs clouted by Mona Rous and Agnes Reimer, but both went to no avail as both runners failed to touch the bases. Jean Krebs gave a spectacular performance at third base. Olga Dupont played sensationally at second, and Gwen Dainty was a tower of strength at first. In the latter part of the game the reserves entered the game for Didsbury and gave a good account of themselves. If the local team continues to show the improvement, and play up to capabilities, the fans will be in for some excellent summer sports entertainment.

Didsbury lineup: Mona Rous, Gwen Morgan, Gladys Luft, Agnes Reimer, Jean Krebs, Greta Falkman, Olga Dupont, Jean Wilson, Gwen Dainty, Joyce Wood, Norma Kimmel, Thera Hovas, Jannette Krebs, Mrs. Rees.

Owing to the withdrawal of the Carstairs club no home games are scheduled for this week. However, an exhibition game is planned for Thursday, June 5, between either Westcott or Carstairs. Keep the date in mind and see the girls in action.

Ken Cassidy broke a small bone in his right ankle about a week ago and now has it in a cast. It will be two or three weeks yet before the cast is removed.

HOSPITAL TAG DAY NETS \$84 SATURDAY

The tag day held in Didsbury last Saturday is aid of the Didsbury hospital, and sponsored by Mons Chapter I.O.E., was very successful and the sum of \$84 was collected for the local institution. The Mons Chapter I.O.E. wish to thank all who contributed funds to the tag day, and those who helped in other ways to make the undertaking a success.

H. WOOD WINS MEDAL ROUND IN GOLF TOURNEY

H. Wood, with a net score of 73, was the winner of the Cup in the first tournament of the year put on by the Didsbury Golf Club. Bert Prevost and J.W. Wordle were tied for second place with net scores of 75.

During the next week all golfers have the opportunity of playing for the Challenge Cup now held by Bob Eubank. This cup is a weekly challenge cup to be held by the winner until defeated by a challenger.

Plans are being made for a two-ball foursome tournament to take place the week after next.

NOT MUCH HOPE FOR WATERWORKS THIS YEAR

At the regular meeting of the Council of the Town of Didsbury, held Monday night, By-Law No. 538 was passed providing for the sale of milk in Didsbury restaurants only in original, capped containers as received from licensed vendors.

The business tax by-law was amended to comply with regulations set out by the Department of Municipal Affairs.

One application for residential building lot was approved.

A communication from Hadden & Miles regarding water and sewer system stated that material was still scarce and there was little hope of the project being started this year. However, they have sent Mr. Lowrie to Didsbury to make final survey so that everything will be in readiness when material is available.

The 1946 assessment of lands and buildings was adopted for 1947 with the exception of new buildings and improvements, which were assessed by Mr. Nowers.

Council decided to put into effect immediately the new system of dry garbage collection, and a special notice to this effect appears elsewhere in this issue of The Pioneer.

The Rosebud Health Clinic requisition for the Town of Didsbury has been set at \$50.04, which was accepted by the Council.

LEGION CAN TRANSFER HALL FUND TO RINK

A wire was received from Dominion headquarters last week by the Didsbury Branch of the Canadian Legion advising that their request had been granted for permission to transfer funds collected for a community hall to a community skating rink.

This means that the Canadian Legion Hall funds and the Lions Club Swimming Pool funds can now be combined to provide for one main objective—a covered skating rink in Didsbury, and no doubt some definite decision will be made on this project in the near future.

JUNIOR CALF CLUBS MEET AT CARSTAIRS

H. McPhail, district agriculturist of Olds, supervised the judging of stock for the Carstairs Junior Calf Club on Tuesday, May 27 at a meeting with entries from Carstairs, Didsbury and Madden.

Following the judging more than 80 persons assembled in E. Schielke's hayloft to see two films, one on Canada's timber resources and their protection from fires, and the other on the Manitoba stock and grain show, shown by G. Arnold of the National film board.

The district has received a good three day rain and it is now hoped that the weather will clear and give us some good warm days to bring on crops and gardens, which are backward for this time of year.

A FAMILIAR SIGHT: It won't be long before scenes like the above will be re-enacted in the towns and cities of Alberta when the free peacetime Blood Transfusion Service is started.

At the present time indications are that he will not be able to furnish any fuel oil at all to consumers.

KNOX UNITED W.M.S. DONATES GIFTS TO INDIAN MISSION

Sixteen ladies attended the meeting of the Knox United Women's Missionary Society at the home of Mrs. R. Eckel on May 19, with Mrs. Bruce Parker taking the devotional period. Some of the members brought articles for a layette for Battle River hospital and other gifts for the Indian Mission in northern Alberta.

At the close of the meeting the hostess served lunch. The next meeting will be held at the home of Mrs. R. Clarke on Monday, June 16.

OLDS SCHOOL DIVISION TO GIVE \$300 SCHOLARSHIPS

The regular June meeting of the Board of Trustees of the Olds School Division No. 31 was held in the Divisional office, Didsbury on Monday, June 2.

The Board decided to grant a limited number of scholarships of \$300 each to students whose parents or guardians are residents or ratepayers of the Olds School Division. The recipients are to undertake to teach in the Olds School Division for at least three years.

The Salary Negotiating Committee of the A.T.A. of the Olds School Division met with the Board of Trustees, and a schedule on a basic minimum of \$1300 to a maximum of \$1800, was completed and approved.

LOCAL NEWS NOTES FROM HERE & THERE

A large crowd attended the joint Canadian Legion and Didsbury Lions Club supper in the Lions Hall last Thursday evening, when J. J. Harper Prowse, M.L.A., was the guest speaker.

A special Father's Day program, under the heading "We Honor Our Fathers" will be given by group No. 2 at the regular Young People's service in the M.B.C. Church on Sunday, June 8, at 7.45 p.m. A hearty welcome is extended to all, and especially to fathers.

Mr. and Mrs. R.F. Baptiste (nee Grace Garner) arrived home from England on Saturday. Mrs. Baptiste made the trip to New York by plane and there met her husband, who made the trip by boat. They travelled from New York to Didsbury by train.

Mr. and Mrs. Loyal Snyder and Mr. and Mrs. Arnold Sherrick were Calgary visitors Tuesday of this week.

Stan Hoppel of Granum visited with Mr. and Mrs. Ed Wiggins Monday and Tuesday of this week before leaving for Ryerfort near Dawson Creek, where he will reside in future.

Mr. and Mrs. Sid Gilson had as a guest over the week end the latter's niece, Mrs. McCutcheon of Edmonton, who was on her way to visit relatives at Allingham.

PALOMINO CLASS TO BE INCLUDED IN 1947 EXHIBITION JULY 16

At a meeting of the Directors of the Didsbury Agricultural Society, held in C.E. Reiber's office on Friday, May 30, the date for the forty-second annual Exhibition was set for Wednesday, July 16, and S.A. O'Brien was again selected as manager of the fair.

A few changes have been made in the Prize List for 1947. The Agricultural and Heavy Draft Horses will be eliminated due to lack of entries in previous years, and in place of these will be added a class of Palomino horses, similar to the Kentucky class, and prizes for both will be raised above the 1946 Kentucky prize money.

The Dairy Herd entries will be allowed with either the Purebred sire (to be shown) or the herd can be shown without the sire if breeding has been by artificial insemination.

In the Plant and Flowers class the Bouquet of Peonies has been deleted and in place of this will be a Bouquet of Delphiniums.

In the Fancy Work Class there will be both Embroidered and Crocheted Buffet Sets in place of previous listing of Buffet Sets only.

Two new sections have been added to this class, Men's Fancy Socks, and Afghans.

The Board of Directors decided to allot \$200 towards the sports prizes.

R. Haag, of the Palomino Association, reported that he was donating \$25 and a Trophy for the Palomino Horse Class.

It was decided to work with the Lions Club in gravelling the road to the Butte and in erecting horse and cattle sheds.

FISH AND GAME ASSOCIATION MEETING TO BE HELD JUNE 9

Members of the Didsbury Fish and Game Association are reminded that the next regular meeting will be held in the Lions Hall on Monday, June 9, at 8.30 p.m. sharp. Please be on time.

Reports of committees will be received on prizes for fish and game as well as other important business.

USERS OF OIL BURNING HEATERS ADVISED TO BE SURE OF WINTER'S FUEL

Local oil dealers selling fuel oil to owners of oil-burning heaters have been advised by their distributors that the fuel oil situation is critical and they cannot expect an increase in their quotas this year. In fact one local dealer advises that at the present time indications are that he will not be able to furnish any fuel oil at all to consumers.

For this reason owners of oil burning heaters are urged to make sure of their fuel supply before winter sets in.

And while on the subject of fuel, coal stove owners are advised to put in their winter's supply of fuel during the summer months. Present indications are that coal will again be short this coming winter.

The Cancer fund drive, sponsored by Mons Chapter I.O.E., has been closed and the latest report shows that the sum of \$300 was collected for this worthy cause in Didsbury and district.

Easy Now To Give Donation To Red Cross Blood Bank

Alberta citizens between the ages of 18 and 65, will be asked to register as voluntary blood donors when the Alberta Division, Canadian Red Cross Society, inaugurates Donor Fundraising evening, June 15th to 21st.

The Red Cross donor enrolment committee in Didsbury, under the chairmanship of W.A. Austin, will be responsible for the registration of voluntary donors in this district. One will be the dieting days, when a prospective donor had to choose between a full meal and giving a donation of blood. Under the new system, which has been developed by Dr. W. Stuart Stanbury, National Director of the Red Cross free Blood Transfusion Service, the giving of blood is a simple half-hour job with no pre-diet and no discomfort. But the results cannot be measured in terms of personal convenience, for your blood may save the life of a neighbor.

Residents of Didsbury will be asked to register as voluntary donors during the week set aside for this purpose—June 15th to 21st. The actual giving of blood will be undertaken at a time to be announced later when the mobile Blood Transfusion Clinic will visit this district. At that time the local Red Cross Branch will provide fundraisers and certain staff with the mobile unit providing all equipment and medical, nursing and technical staff.

This new humanitarian service, which is already serving the hospitals of British Columbia, will provide blood and plasma, free of any charge whatsoever, to all hospital patients where the local institution has agreed to provide the trans-

fusion free. In this connection the Association of Alberta Hospitals have made it known that eventually all active treatment hospitals in Alberta will be included in the plan.

Through this extension of one of the greatest Red Cross wartime services, Alberta citizens, and eventually everyone in Canada, needing transfusion treatment will share in one of the greatest miracles—the gift of life from a fellow citizen.

To keep this service operating in Alberta, the Alberta Division of the Canadian Red Cross Society will be opening a depot or laboratory in Edmonton and a sub-depot in Calgary. These centres, staffed by fully qualified medical, nursing and technical staff, will handle all the blood donated in this province down to the servicing of blood plasma to the hospitals.

Your gift of blood, not more than two or three times a year, may mean the difference between life and death to a loved one or a friend. Remember Donor Enrolment Week, June 15th to 21st, and register with your Red Cross at that time.

PROSPERITY BASED ON PRODUCTION

Few dispute that our prosperity is based on our production of goods and services which, it is estimated, will be more than twelve billion dollars this year—higher than the peak of wartime production. Our debts to other countries are 35 per cent lower than before the war and in 1946 our sales to the world were greater than our purchases. Can this high level of production and sales, which means a high level of employment, be maintained. Informed observers claim that Canadian purchasing power and a large part of the big expansion of industry can continue only if our sales to other countries is maintained. If this is correct it is clear that the interest Canadians have been taking in the Moscow conference of foreign ministers and in Geneva conference on international trade is overwhelmingly justified even on the basis of our own self interest, because without a settlement of the European problem and an agreement to lower all barriers to trade, the basis of our present prosperity will be substantially reduced.

FIRE DESTROYS BUILDING
IN NORTH END OF TOWN

The fire bell sounded in Didsbury last Tuesday night about 9 p.m. when the vacant building, owned by Roger Barrett and just east of the J.A. Adam residence in the north part of town, took fire. Fortunately the old building was vacant at the time, but the fire had gained such headway that the fire department could not save the structure, which burned to the ground.

The Adam's house was soaked with water to prevent fire spreading, and the only damage was the breaking of a few windows on the east side, due to excessive heat. Mr. and Mrs. Adam were out in the country at the time, and their little girl was home alone.

Cause of the fire was said to be

FALLEN TIMBER NOTES

Mrs. Fair and Mrs. Dick were Didsbury visitors last Tuesday.

Mr. McMullen and sons have purchased a saw mill and are now sawing on what was formerly Art Rothwell's place.

Mr. and Mrs. Cecil Moore, Mr. and Mrs. Robert Moore, Gary and Monty, spent the long week end at the home of Mr. and Mrs. J. Howton.

Mr. and Mrs. J. Cooper and family, and Mrs. Alex Moore, Dorothy Moore, Billy Moore, Bobby Moore, Mrs. W. McGaffin, Mrs. Bob McGaffin, Jacques McGaffin, Barry McGaffin and Harry McGaffin and Mr. George Adnassen spent Sunday at the home of Mr. and Mrs. J. Howton.

Mr. and Mrs. W. Money and family, and Mr. H. Money spent Sunday at the home of Mrs. J. McGaffin.

There are a total of sixteen saw mills within a radius of ten miles around Elkton. All these mills are in operation. This should do something towards overcoming the lumber shortage.

Mr. Unger, who is employed at Fichten's mill, had the misfortune to cut his foot with an axe. First aid was given and he was rushed to Olds hospital, where he is progressing favorably.

The Burns Road is in fair condition except on the muskeg by Fair's. There the corduroy has some bad holes and heavy trucks find the going tough. The road on the north side of Bear valley has had several days work done on it and is in good condition.

Mrs. J. Howton and Miss Olive Cooper visited Mrs. G. Hone on Tuesday.

Mr. Glauco of the Atlas Lumber Yard in Didsbury, and Mr. Gus Bittner were in the Fallen Timber district on business last Thursday.

Mr. and Mrs. J. Howton and Danny drove to Calgary Friday to spend the week end. They attended "Shiriffs Fun Parade," which was held in Victoria Arena on Saturday night.

Mr. Pat McGaffin spent the week end in Didsbury visiting Mr. W. McGaffin.

Mr. Glen Cooper and Mr. Jimmy Cooper, who are attending High School in Calgary, spent the week end at home.

Mr. J. Cooper was a Calgary visitor last week.

Johnny Texnor has been plowing for Mrs. Whittle this week.

LATE SEEDING CONTROLS WILD OATS

A simple method of reducing the number of wild oats in your field is advocated by H. J. Mather, Supervisor of Soil Conservation and Weel Control for the Alberta Department of Agriculture. This method based on the knowledge that wild oats grow readily in the cool moist soil of early spring, but when the soil warms up to 50F or higher the seeds go to sleep for the remainder of the season.

If the land is thoroughly cultivated about June 15th to destroy spring growth, and then seeded to greenfeed or to an early maturing barley such as Olli, there will be a surprising reduction in the wild oat population.

Applications for field inspection of standing crops with a view to registration or certification should be in as early as possible before June 30th. Officials of the Plant Products Division advise that growers who apply after that date before June 30th to the Plant Products Division, Dominion Department of Agriculture, Immigration Building, Calgary.

Even if the grower is not sure before that time that his crop is satisfactory, he should file his application promptly. It can be cancelled later if necessary.

Mr. and Mrs. Max Worthington motored out from the coast to spend a few days with the former's parents. They were accompanied by Mrs. Worthington's mother, who will spend part of the summer at the home of Mr. and Mrs. J.B. Worthington.

Wes Stanton has joined the Royal Canadian Engineers for a period of three years. After being stationed in Calgary for a short time, he has been sent to Alaska, destination unknown.

Visitors at the home of Mr. and Mrs. Cogswell over the holiday week end were Mr. and Mrs. Stroud and family of Didsbury, and Miss Sybil Walters of Sundre, who was a guest of Jean Cogswell.

The Harder family are still under quarantine, Doreen and Raymond having the measles.

Mr. and Mrs. Bob Lucas are moving on to the Fred Lucas farm.

The district was shocked to hear of the accidental death by shooting of Mr. Polkington of Ottawa. Mrs. Polkington was the former Joyce Brown, who was well known in this district. The sympathy of this community is extended to Mrs. Polkington and her family in their time of bereavement.

Mr. and Mrs. E. Cogswell were Calgary visitors for a couple of days this week.

Several gardens were damaged by the severe frost Wednesday night, some having to be partly re-sown.

NEED FOR VEGETABLES

While useful in combination with such nutritious foods as milk, tomatoes and cheese, macaroni and spaghetti are not adequate substitutes for vegetables, warn national health nutritionists.

Canadian housewives, in order to ensure sufficient essential vitamins and minerals in the family diet, should supplement them with real vegetables. Macaroni and spaghetti are given approval mainly as "calorie boosters."

Under the Canadian Family Allowances Act which was endorsed by all parties in Parliament the government actually has contrived to make a pensioner out of every Canadian from the day he is born until the day he becomes no longer a child legally. One-eleventh of the total of Dominion taxes is required for this "baby bonus."

SPRING

The last snow disappears from the hollows... the streams rise, sink, run clear again... buds sprout and burst... the land dries... field work starts again... spring plowing, harrowing, seeding...

Spring work calls for labour and money which will not yield returns until harvest. In the meantime the Royal Bank is ready with seasonal loans to pay for labour, seed, fertilizer, equipment and improvements to land and buildings. Your local manager is always glad to see you.

Didsbury Band Plays at First Trochu Sports In Fall of 1907

Writing in the April issue of "The
New Trail," University of Alberta
publication, S. H. Meising presented
the following article on the found-
ing of Trochu, Alberta, which may
be interesting to some of the old
timers of Didsbury:

OLD FRANCE IN ALBERTA

"Trochu, seventy-five miles north
east of Calgary on the CNR, is of
more than usual historical interest.
It is named after Armand Trochu
who came in 1902 to what is now
Alberta. Trochu was not a colonel,
although he was generally called
that and is so styled in various sur-
vey books. Although he had run a
real estate business in France, he
did, however, come from a military
family. His uncle was General
Louis Jules Trochu, the defender
of Paris in 1870, and his brother,
or one of his brothers, was a cav-
alry colonel. He himself had been
a cavalryman only during the usual
period of military service. In the
coulee of what was then Dead
Creek but is now Trochu Creek,
Trochu found a ranch which had
been there a couple of years. He
bought it from the owner, one
Tabary (or Tabaray), and named
it the Ste. Anne Ranch. In 1904 he
was joined by Chef de Battalion
Eckenfelder, a former Hussar, and
within the year there was a third
Frenchman at Ste. Anne, M. De-
velier, the son of banker of Lille.
The three men had no connections
in France. Eckenfelder had simply
heard of a countryman at the Ste.
Anne while looking around in Sask-
atchewan. Develier came direct
from Lille with the Ste. Anne as his

destination.

In 1904 the Ste. Anne Ranching
and Trading Company was in-
corporated. That August, Paul de
Beaudrap, his nephew, and his
brother, Roger de Beaudrap, bought
a ranch fourteen miles south-east
of the Ste. Anne. It consisted of a
house, a few pole corrals, and
twenty head of cattle. The range
was open. The de Beaudraps named
their ranch the Jeanne d'Arc.There were at that time five
other ranches in the country north
of Calgary, south of Red Deer, and
immediately west of both. These
ranches were not entirely out of
reach of one another, for in 1904
Arthur Dodd, camped in the centre
of the three hills which have given
Trochu its name, could see four
chimney-smokes within a nine-mile
radius. By 1906-7, when the home-
steaders came in force, the Ste.
Anne had become the recognized
gathering place for a considerable
district. The ranch's position as a
centre was due partly to its loca-
tion nearer Didsbury (fifty miles)
and Red Deer (sixty-five miles)
than the other ranches, but rather
more to the fact that on it were
three Frenchmen of family and edu-
cation.The men at the Ste. Anne hoped
to have a town on the coulee bank.
In 1905, Louis Proudfond, later to
be an M.L.A., passed by the ranch
and found Trochu wondering about
the procedure for organizing a
school district, although there were
as yet no women there. In 1906 the
post office (Trochu was the first
postmaster) with a store and stop-
ping place, occupied a single lot
building on the coulee's north
bank. Before 1907 the north bank
of the coulee had been surveyed in
lots. The rush to take these lots
came in 1907. Olds was the place
where the settlers got off the train
and began walking. The town
grew rapidly that year, moved from
the bottom of the coulee bank to
the top of it, and had reached such
proportions by the fall that it held
a sports day. There was a band in
from Didsbury to celebrate the oc-
casion, and the crowd was very big
indeed.Most of the colony of French-
men around the Ste. Anne were of
good family; they included at least
one baron (de Reinach-Werth) and
a couple of counts. Before the town
grew to any noticeable size, these
men could do little to reproduce
their old life. They wore sombreros
and heavy boots, and rode in stock
saddles most of the time; they
drank White Horse whiskey from
tin cups and frequently neglected
their horses. As quickly as they
could, however, they built good
homes and put into them tapestries,
good furniture, and good silver.
Colonel Feline, who came in 1912
or 1913, soon had a big three-story
house of concrete blocks. The blocks
still exist, used in some buildings
in the town. The chief amusement
of these settlers was coyote hunt-
ing, and they lavished money and
time on it, for most were of inde-
pendent means. Just west of the vil-
lage they had a steepchase which
was used at the gala sports day of
1907. Their horses were fine
animals, sired after 1913
by Feline's imported stallion Latour.
During the particularly bad winter
of 1907 a great many of their cat-
tle died of exposure of starvation
because the shelter and fodder were
reserved for good horses. In that
and in other winters they rode
sleek, leggy beauties for hunting
or for milder weather."Enormous quantities of canned
horsemeat have been purchased by
UNRRA from Canada to relieve
hunger in Poland, Czechoslovakia
and Austria.Algeria will enter the North
American market for supplies of
oak, Douglas fir, plywood and han-
dles for tools.

NOTES FROM THE EAST

Miss P. Earl and Miss Claire Wood of Didsbury teaching staff spent the week end with Mrs. D.B. Wood and Kenneth.

Mr. and Mrs. Joe Clarke and Mr. and Mrs. Lyons and Howard were Wednesday evening supper guests with Mrs. Dowell and Fred Metz.

Mr. Pat Spragg and daughters, Mr. A. Spragg and Miss Lorna Wright were Sunday dinner guests with Mr. and Mrs. Otto Bittner and family.

Mr. H.B. Campbell and Tom Patterson drove to Calgary Saturday to see Mr. Campbell's son, George, who is still a patient in the General hospital.

Mr. and Mrs. Dean Currence and son of Carstairs were Sunday visitors with Fred Metz and Mrs. Dowell.

Mrs. Joe Clarke was a Friday afternoon visitor with Mrs. Sandy Brander.

Miss Claire Wood and Mrs. Ruth Eckel were Monday evening supper guests with Mrs. Pete Schumaker, and attended the farewell party for Mr. and Mrs. Joe Clarke.

Mrs. G. Rathburn spent the week end visiting with her sister, Mrs. Hunter, and family.

Mr. and Mrs. Gill Huggard attended Shirliff's Fun Parade in Calgary Saturday. Hope they really got in on the fun.

Our sincerest sympathy is extended to Mr. and Mrs. E. Wood on the death of their infant son, Kenneth, on May 15. Mr. and Mrs. Wood left this district only a few weeks ago to reside at Vauxhall, Alberta.

The next W.I. meeting will be held at the home of Mrs. F. Ahlgrim on June 11. Roll Call—Hint For a Bride. All ladies welcome.

The Jutland school sponsored a bazaar and box social on Friday last in aid of the Red Cross Society. Although there was not a large attendance, there were just enough present to have an enjoyable evening. The children put on a splendid program which was enjoyed by all. A solo by Miss Muriel Haynes, and a violin solo by Kenneth Burns were added numbers which were greatly appreciated. Fred Metz, chairman for the evening, acted as auctioneer and did a very good job of selling the children's work. A good deal of fun was derived from the sale by the auctioneer. He seemed to do especially well on the boxes when he gave a guarantee of a lady for supper to the purchaser. There were a number of pretty boxes, and Miss Evelyn Dowell's box brought the highest bid. Net proceeds for the evening were approximately \$34, and our teacher, Miss Dans, is to be complimented on her splendid work with the children.

This week in the Burnside and Jutland district will be a memorable one to Mr. and Mrs. Joe Clarke, who are leaving immediately to reside in Calgary. In the past few days they have been guests at various homes in the district and were also guests of honor at a farewell party. On Wednesday evening they were the guests of Fred Metz and Mrs. Dowell. Thursday evening was spent with Mr. and Mrs. Alf Thompson and Sunday evening they were visitors at the W.H. Coates home. The district will miss Mr. and Mrs. Clarke and the Lone Pine W.I. will certainly miss Mrs. Clarke, who has been a faithful worker since that institution's inception. A wish for much happiness in their new home is extended to Mr. and Mrs. Clarke.

BURNSIDE NEWS NOTES

Heavy frost damage was suffered by local gardens last Tuesday night, and further east, towards Sunnyslope the most severe damage was reported. Poverty Flats escaped the frosts better than most parts and for once seemed to be the favored spot.

Mr. and Mrs. Walter McCulloch and J.C. McCulloch were Calgary visitors last week.

Mr. and Mrs. Wm. McCulloch Sr., Mrs. Walter McCulloch and Mrs. Mardon went to Acme last Thursday to attend the funeral of the late W. Tolton. Mrs. Tolton is an old timer of the Burnside district.

Seeding in the district came to a halt over the week end due to the rain, but most of the crop is now in the ground and the moisture was certainly welcome. Some of the earlier crops were about three inches high before the recent frost and no doubt these earlier crops have suffered some frost damage.

MELVIN NEWS ITEMS

Mr. and Mrs. Ken Waldroff and Allan of Olds visited with friends in the district last week end.

Clary Young arrived home from Medicine Hat last week, the factory where he was employed having been closed for lack of raw material.

The league baseball game with Olds, scheduled for last Sunday, was, of course, cancelled because of the rain.

This Wednesday, June 4, Carstairs will play at Melvin, weather permitting. The following Sunday Melvin plays at Cremona.

Mrs. F.W. Leeson returned Friday from a three months' visit with her son-in-law and daughter, Mr. and Mrs. J.L. Field, in Caracas, Venezuela.

Mr. and Mrs. V. Brown of Calgary spent last week visiting the latter's parents, Mr. and Mrs. Alvie Cowitz.

Mr. and Mrs. A.E. Krebs returned from Calgary Monday with a Polish immigrant laborer. He was formerly a sergeant major in the Polish army.

WESTCOTT NEWS NOTES

A good crowd of supporters accompanied the Westcott school pupils to Elkton last Thursday evening to see the softball game between the two schools. The latter were the winners by a score of 21-7.

Mr. and Mrs. John Schneidmiller and family left on Sunday last for a holiday in the United States. We understand that Mrs. Schneidmiller's parents live in New York and that she hasn't seen them for many years. We wish them a pleasant holiday.

Mrs. John Jacobsen is spending a few days in Calgary this week.

Mrs. Adolph Baudistel left on Monday last to join her husband, who has accepted a position at Banff.

Sunday generally was shut-in day for all of us as the district was visited by showers. Coming so soon after the frost earlier in the week the rain should do a lot to revive the growth, hard hit by the extreme temperature, so now let's hope for some sunshine.

The public are invited to attend two special services at the Zion Evangelical Church on Sunday, June 8, at 10.30 a.m. and 7.30 p.m. Rev. G. Neece, president of Red Deer Nazarene College, will be guest speaker and the Men's Male Quartette from the same college will supply special music.

Jim Kirby and Clint Reiber returned to Didsbury Sunday night after a week and a half spent on a trip as far as Salem, Oregon, where they were accompanied by Mr. and Mrs. Earl Brinton. Jim and Clint returned by way of the Windermere in British Columbia and tried their luck there at fishing. Judging

by the three fine Kamloops trout they brought back with them the fishing must have been good.

The Senior W.A. of Knox United Church will meet this Friday afternoon, June 6th, at the home of Mrs. Bruce Parker. Cars will leave from the Church at 2:30 p.m.

LOCAL NEWS

Mr. Ranton and Bill have moved into their own house in the north-west part of town, and Dr. and Mrs. L.J. Patterson and family have moved into the house recently vacated by the Rantons.

The lilac and apple trees in town have been in full bloom for more than a week and do not seem to have been damaged by last Tuesday night's frost. The blooms are beautiful at this time of year and the flowering shrubs, which are so abundant in Didsbury, have given the residential sections of town a pleasing appearance.

Ed Ford was a business visitor in Edmonton on Monday.

According to word received from Mr. and Mrs. A.D. Schmidt, they have purchased a small dairy farm eight miles out of Abbotsford, B.C. The buildings on the farm are now except for the dwelling, but plans for a new home are underway. Also says the 2½ acres of berries on the farm will keep him sweating for a few weeks and that prospects are very good for this year's crop.

Mr. Raymond Rapin, who was working for Madison Refining at Turner Valley, arrived home Thursday evening and left again Friday morning for Leduc, where he will take up his new job as an operator for Imperial Oil Company.

Miss Adine Schmidt of Edmonton was a week end visitor in Didsbury.

Due to the shoving of a play, "Old Fashioned Mother," on Friday, June 6, the regular picture show has been cancelled.

A Youth For Christ Grand Rally will be held in the Didsbury Tabernacle on Saturday, June 14th commencing at 8 p.m. C. A. Sawtell will be the speaker and special music will be supplied by the Bassingers. There will also be special singing and other music. The rally will continue all day Sunday with mass Sunday School at 10:30 a.m., with special features for the children. Sunday rally will be at 11:30 a.m., 2:30 p.m. and 7:45 p.m.

Mrs. J.L. Clarke of Calgary was a Didsbury visitor Saturday.

Mr. and Mrs. C.F. Nicholl leave this week end on a three weeks' holiday which the Royal Bank provides for branch managers each year.

Mr. and Mrs. Ed Ford were Calgary visitors last Friday.

Mr. and Mrs. Joe Clarke have purchased a home in Calgary and leave this week to take up residence in the city.

Miss Margaret Ashhead of Calgary was in Didsbury Friday evening to take in the High School graduation dance.

Mr. Ted Scowen, 62, father of Mrs. Fred Dedels of Didsbury, passed away in the Calgary General hospital on Wednesday, May 29, and funeral services were held Tuesday June 3 from Carstairs United Church.

White Rose Service is specializing in all types of brake work. They have a complete stock of lining and a new brake machine.

Berscht's Dollar Sale has been a huge success so far, reports Len Berscht, and the staff had to be increased to eight last week end to handle the crowds. The sale continues to Saturday, June 7 and a few more bargains are advertised in this week's "Pioneer".

Dr. H. W. Epp has been elected as the local Legion delegate to attend the fifteenth Provincial Convention of the Canadian Legion being held in Edmonton from June 7 to 11.

Mr. and Mrs. Carroll Denney and family of Calgary spent the week end at the home of Mrs. Denney's sister, Mrs. Eva Blain.

Miss Dorothy Barrett, who has been attending university at Toronto this past term, has arrived back in Didsbury and will spend the summer months with her parents, Mr. and Mrs. Roger Barrett.

Mrs. E. Pearson spent a few days in Calgary last week with her daughter, Mrs. M. Hearst and family.

Mr. Boettger expects to leave for Africa in the fall.

PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvass for news, but it is always glad to have it "phoned or handed in." We want all the news. We are just as pleased to mention your name, or your visit, as to mention doings of your neighbors—but maybe your neighbors cooperated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

YOU PAY THE SAME for Counter Check Books, whether you order them from a salesman, or from The Didsbury Pioneer. Buy at home and support local industry.
